

AMERICA'S WATER COMPANIES

» **15 LARGEST**
U.S. water companies
invested more than
\$5 BILLION
in community water
systems in 2022.

This is nearly half the size
of the historic
**FEDERAL
INVESTMENT**
being made through the
Infrastructure Investment
Act and Jobs Act of 2021.

» **\$1 TRILLION**
needed over the next
25 YEARS
for drinking water
infrastructure.

INVESTING TODAY. BUILDING FOR TOMORROW.
