

# AMERICA'S WATER COMPANIES

## >> 15 LARGEST

U.S. water companies  
invested more than  
**\$6 BILLION**  
in community water  
systems in 2024.

This is more than half the  
size of the historic  
**FEDERAL  
INVESTMENT**  
being made through the  
Infrastructure Investment  
and Jobs Act of 2021.

>> **\$1 TRILLION**  
needed over the next  
**25 YEARS**  
for drinking water  
infrastructure.

INVESTING TODAY. BUILDING FOR TOMORROW.
